This is a rare piece of land made available for purchase in one of Rosarito's most iconic communities. Plaza Del Mar - Pyramid Section. With 18,584.32 square feet, this expansive lot provides a great opportunity for the housing developer, or for a demanding homeowner looking for a lavish home with amazing ocean views, the possibilities are nearly endless.

Located inside the Pyramid Section of the Plaza Del Mar community, this large piece of land is made up of three lots adjacent to each other and can be bought all together. There is also the possibility of purchasing just one of these three lots.

Find this single lot listing here. Plaza Del Mar Pyramid Section is located south of Rosarito. Its signature pyramid replica is a well-known landmark. It is home to amazing ocean views, located just 10 minutes from the Bajamar golf course, and 30 minutes from the Guadalupe Valley and its award-winning wineries.

Offered at:

\$549,000

Dollars.
