Enjoy the Baja lifestyle in this single-level, 2/2 furnished home in Mision Viejo. This home is only one street up from the oceanfront and is the perfect size for a vacation home or retirement. Misión Viejo is one of the premier communities in Baja Norte, offering beach access, a community clubhouse, playground, tennis courts, paved streets with streetlights, and a guarded/secured entryway. It's a close-knit community with weekly gardeners, maintenance workers, its own water sanitation plant, and a full-time HOA administrator.

The home features a 1-car carport and courtyard, an atrium space that provides natural light and relaxation, and an open floor plan kitchen/dining/living space perfect for entertaining. The kitchen is spacious with lots of wooden cabinetry for storage, granite countertops, and a large breakfast bar. The living space includes a fireplace and glass sliding doors leading to a substantial outdoor terrace with panoramic Pacific Ocean views. The master bedroom shares this terrace, has its own walk-in closet and full bath, while the second bedroom is perfect for guests and also shares a guest full bath. The home was freshly painted both inside and outside.
